

Week 74

Are You Ready?

Dear City Intercessor,

Like last week's prayer, "Like Mary" focused on you as an intercessor. This week's focus is prayer is similar to prepare you and strengthen you for what is ahead. (If you missed "Like Mary" [click here.](#))

I know many have felt weary from the onslaught. The intensity hasn't let up has it? I pray this week encourages you to recognize first that you ARE making a difference. And our prayers ARE prevailing. But also it is very important that we position as we enter what is not only a new year, but a new epoch. (Be sure to click the links to the articles available at the end for additional information on that.)

Leaving and entering is very important. Who we align with and who we are under in authority is as well. For it can either limit us or help advance us for what God is doing. I have watched many get stuck and frustration mount as they seek to walk in their destiny, but can't seem to get there. And can't seem to figure out why. ([click here about how to get unstuck.](#))

Others have taken so many hits this year that you want to crawl into a cave to hide—exactly what satan wants. Remember even David did this when the onslaught got so intense, but the prophet Gad came to him after a season and told him, "It's time to get out of the cave."

This week is for you. I want to encourage you and thank each of you for your faithfulness to pray over our nation. I pray a blessing over each of you and protection as you continue to wage war in the heavenlies. That you will be refreshed spirit, soul and body to continue to press in and not give up.

Father, I lift up each intercessor who has joined city-by-city network to stand for their city, state and our nation. Together we link arms in prayer standing on Your Word that You hear our cry for justice, righteousness and truth to prevail. Here is your declaration for this week for you and your family to restrengthen to remain in the battle:

Thank you Lord that out of Your glorious riches You strengthen me/us with power through

Your Spirit in our inner being, so that Christ may dwell in our hearts through faith. I declare that we are being rooted and established in love and will have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is Your love and to know the love of Christ which surpasses knowledge, that we may be filled up to all the fullness of God.

I declare that over my entire family and that any not yet serving You will come into the knowledge of God and fulfill their God-given destiny. I pray that even this year their eyes will be opened to the truth and they will walk in it. I declare as for me and my house, we will serve the Lord.

I thank You Lord that You able to do far more abundantly beyond all that we ask or think, according to the power that works within us. To You be the glory in the church and in Christ Jesus to all generations forever and ever.

Eph 3:14-21, Joshua 24:15,

Standing together,
Karen Hardin

P.S. If the city-by-city prayer decrees and network has been a blessing to you, would you consider making a year-end donation or becoming a monthly partner? We appreciate your prayers and support!

P.S.S.—After much encouragement, I am creating a small prayer team for those who feel called to pray DAILY for me. This past year has been more a battle of fighting off attacks than moving forward. There are things God has instructed me to do, that I need a prayer covering in order to accomplish. If God has laid it on your heart to pray for me in this way, please email me to let me know. I will be reaching out this next week to discuss it further. THANK YOU!

Don't forget Wednesday is our day to fast and pray corporately.
