

Week 80

## Pray Regarding Soros— The Kingpin

Dear City Intercessor,

We prayed a couple of weeks ago regarding the importance of “binding the strongman” of pride. This week we are praying regarding a physical “strongman” which has been George Soros. He is a financial kingpin fueling and funding much of the Democrat Party and demonic socialist takeover agenda globally. These actions need to be bound.

It is reported that he just gave one of the [largest political donations](#) in history with \$125 million to the Democrat Party through a super PAC which he headed. He is now turning many of his super PAC’s and non-profits over to his son, Alexander.

Soros is 91 and his time on earth is short. He doesn’t know Christ which is our first prayer—for his salvation as well as that of his son. From an early age, Soros was trained up to control, manipulate and dictate. As a Hungarian Jew, he posed as a Christian and at the young age of just 14 helped confiscate the possessions of other Jews and watched as they were being shipped off to death camps. When asked if this caused him any guilt or remorse, he stated, “No.” His rational was that if he hadn’t helped do it, then someone else would have. Yet the man, himself, is a Jew. His conscious was seared from an early age to be what he has become. He is a man to be pitied. Our first responsibility is to pray for his salvation.

(Note: For more information on Soros, Dinesh D’Souza shares some of Soros’ background in his documentary [“Hillary’s America”](#) and his book [“The Big Lie.”](#))

Soros’ son, Alexander, told Politico the PAC will be used as a weapon against those who “discredit and undermine our electoral process,” citing the “generational threat that cannot be addressed in just one or two election cycles.” Translated, they are trying to completely destroy American democracy and remove conservatives who hold to the Constitution once and for all. It sounds like Alexander is a mirror of his father.

From his huge donation, already \$2.5 million has been given to Sen. Chuck Schumer’s (D-NY) Senate Majority PAC, \$1 million to House Speaker Nancy Pelosi’s (D-CA) House Majority PAC, and \$1 million also donated to the Democratic Association of Secretaries of State. He has also given heavily into the election of district attorney’s in numerous cities. That explains so much as far as why justice is blocked at the city level. Soros’ Open Society Foundation is influencing millions of young Gen Z and Millennials polluting their minds with his lie that his goal is “to build vibrant and inclusive de-

mocracies whose governments are accountable to their citizens.”

But that is exactly the opposite intention of his work which has clearly been *against* democracy and *against* any form of government accountable to its citizens. His demonic influence must be exposed for what it is and stopped.

*Lord, We pray for George and Alexander Soros. You died on the Cross for them as you did for us all. You desire for all to be saved and to come to a knowledge of the truth. We pray this for these two men who have been deceived in their hearts and given their lives for the demonic. You know that from a young age, Soros was trained in perversion and he in turn trained his son in that same perversion. We pray that they will turn before it is too late.*

*We pray they would come to know the truth and the Truth would set them free. That the eyes of their understanding would be opened so they can see You and receive You. We ask for laborers to come across their path this day and everyday to warn them of the eternal future of Hell awaiting them if they continue on their path of death and destruction. Wake them up Holy Spirit with visions and terrify them with dreams in the night to bring them to repentance.*

*We pray that the hardness of their hearts would be turned that they can receive a new heart. That their hearts of stone would be turned to a heart of flesh. They exchanged the truth about God for a lie, and worshiped and served created things rather than the Creator and are encouraging others to follow in those footsteps. We pray that their demonic influence would be no more.*

*Father, you see how they have used their wealth to bring destruction not only upon America but the world. You said the wealth of the sinner is stored up for the righteous. Over and over again in scripture you took the wealth of the wicked and transferred it to Your people. We ask that you would do it again. That the wealth Soros has made, stolen and accumulated will be used for righteous not unrighteous causes. And that once again you would make a distinction between the righteous and the unrighteous. We pray that the “tower of Babel” they have built to brainwash our young people, would be destroyed, their communication lines confused, unclear and scrambled. Just as You did then, we ask that You do again and take the strongholds they have created with the PACS, and foundations and scatter them so that their influence is broken and their corruption and lies exposed.*

*Where he has influenced elections that have corrupted our city and our state, we declare that those officials will either repent and change or be removed from those positions. I declare (your city) is free of his corrupt influence and that our district attorney and all officials will operate with integrity.*

*We declare America will be saved and set free from this demonic influence and pray for those who have been warped by that same perverted mindset, that they will have their eyes opened to the Truth and run to You.*

*Mark 3:27, I Tim 2:4, John 8:32, Eph 1:18, Matt 9:37-38, Job 7:14, Prov 13:22, Ez 36:26, Mal 3:18, Rom 1:25*

## ANNOUNCING My New Favorite Resource

*The Name Translation Bible (TNT)* is a brand new resource that I use all the time as I study the Bible. It reveals the meaning of names of people and places that bring significant insight to scripture.

As we know, names have meanings. I was amazed at how the names of the people and places were so significant to each story in the Bible and provided additional revelation into what was happening in the story.

*Dr. Brian Simmons, author of The Passion Translation Project stated:*

*"The "Name Translation project is amazing! What a wonder work Pastor Chris Monaghan has given in restoring the meaning of the names found in the Bible!"*
