

Dear City Intercessor,

We need to see a massive leadership trans-

fer from the unrighteous to the righteous. From those who do not fear God to those who honor Him. From those who are unqualified to those who are able to fill the positions based on skill, knowledge and wisdom—and wisdom begins with the fear of the Lord. This is a prayer we need to pray over our cities, states and our nation.

Recently the Biden administration appointed someone described as a “non-binary drag queen” as the new head of the Department of Energy. The pics above are of this man, Sam Brinton.

Sam was born the son of Southern Baptists missionaries. He spends his time lecturing on “kink” activism, enjoys sexual “pup play” (pic on the far left) and refers to Fauci as “Daddy Fauci.” He goes by the name Sister Ray Dee O'Active while participating in a group called the Order of Perpetual Indulgence described as “a non-profit group who dress up as nuns to raise awareness of sexual intolerance and transphobia.”

I wish I was making this up, but I’m not. Biden also appointed the under-qualified Mayor Pete Buttigieg to his staff as the bribe to drop out of the presidential race—which Buttigieg had no hope of winning anyway. That appointment seemed simply because Buttigieg was homosexual. Next on his list, Biden assures us he will appoint a Supreme Court justice based on gender and skin color rather than qualifications.

What we know is that a group called “Demand Justice” has been behind many of these appointments dictating who is appointed to positions—especially regarding judges. They were the dark money completely behind the attacks against Amy Coney-Barrett and Brett Kavanaugh to keep them from being appointed to the high Court. They were demanding Ketanji Brown Jackson be moved into that position for over a year. They are pouring millions into attacks to remove and prevent conservatives and Christians from places of leadership as they demand individuals of their choice.

Obama spent his two terms filling our State Department with Muslims. That seemed to be the primary qualification for a role in his administration and they are still there. What many of us don’t know is that once moved into those positions it is almost impossible to get them removed—at least in the natural.

In our nation, qualifications for leadership seem to be now based solely on diversity rather than

education and skill. What are we teaching our children when every decision, appointment and new hire is made based on this criteria? This is insanity. And it is not just happening at the federal level, but at every level. I guarantee you it is happening in your city as well. This is where we pray this week:

Father, we pray for wisdom even as we pray for leaders who will operate in wisdom which begins with the fear of the Lord. We watch as people are put into leadership positions who are bought and paid for. Chosen, it seems, only because of the color of their skin, their gender, or their sexual preferences. Many who are not qualified and who do not reverence Your Name.

We also see those who may be qualified, but who have given themselves over to corruption, perversion, and demonic spirits. Lord we ask that those on both levels would be uprooted from leadership roles and replaced with individuals who honor You and Your Word. Cleanse our nation from the corruption that seems to be at every level. Deliver us from the spirit of racism and political correctness/wokeism that seems to be at the root of every decision.

Deliver us from evil. Deliver us from this insanity that has weakened America and made us a laughing stock to the nations. Although they laugh, You also sit in the heavens and laugh at what they deem as wise. Professing to be wise, they became fools. Only fools say in their hearts, "There is no God." They are corrupt, and their actions are evil; not one of them does good!

They despise wisdom and instruction. May those in leadership positions who fall into that category be removed and replaced with those who fear the Lord which is the beginning of knowledge.

Lord, we pray that our nation will no longer be led by this insane practice, but that once again we would have leaders in positions from our highest court and highest positions all the way through to our city councils, administrations and schools. That we will choose wise, discerning and experienced men and women appointed as leaders, teachers, pastors. That the criteria of our land would be that they are of good reputation, full of the Spirit and of wisdom. That they will fear God, be men and women of truth, who hate dishonest gain. That these shall be placed as leaders over thousands, hundreds, fifties and tens. Men and women who are skilled and possess an extraordinary spirit as Daniel did. We pray this over our military as well where it has been infiltrated by leadership who have abandoned their call to protect our nation and instead force our military men and women to bow to their mandates. Lord help and protect our military who are in a hard place. Give them wisdom. Protect them and we pray for the removal of those in leadership over them who are causing harm and destruction.

We pray regarding representatives and senators who claim to be for You, but whose actions show compromise. Who miss strategic votes that effectively allow ungodly laws to pass, and yet say, they didn't vote for it. May this corruption and cowardice be exposed at every level. (See page 3 for article on this.)

We pray for leaders who will have courage. Who will continue to be uncompromised men and women of faith who stand fast in the face of this ungodly opposition. Strengthen them this day.

Father you see them. Give them strength to not back down. And we pray a blessing upon them in every way and protection upon their families from blackmail, witchcraft and threats. We plead the blood of Jesus over them Lord and ask that You would raise them up even as You put others out. Deliver us from evil.

Special Prayer—REVIVAL & REFORMATION

Last October Karen received a phone call from a friend with whom she hadn't talked with for a very long time. He had heard of her involvement in political issues and asked if she knew how bad things had gotten regarding the Oklahoma educational system. The long and the short of that call is Mario Murillo accepted an invitation they extended to come to Tulsa to hold a revival. PLUS, the conservative news talk show, Flashpoint LIVE, has agreed to come to open the event on the first night!

Please join us in prayer as there are numerous details to work through between now and the event which is

April 21 & 22 in Tulsa, OK at the Mabee Center (7700 S. Lewis).

We are also hosting a private luncheon for pastors with Mario on March 5.

We need prayer!

We need 1000 volunteers (altar workers, intercessors, parking lot attendants, ushers) as well as [\\$35,000 in the next 60 days](#) for the event. It has been prophesied that this event will be a catalyst and prototype for additional crusades in at least six other cities/states this year and that revival will spread from them like a fire throughout our nation. WE ARE CALLING FORTH REVIVAL!

Will you join us?
